# The Florida Suncoast MG Car Club

## Monthly Minutes Summary

### September 9, 2009

Vice-President, Glenn Lenhard called the meeting to order at 7:37 p.m. and welcomed everyone.

The Secretary's Report and the Treasurer's Report were approved as presented.

Membership Report: The Club currently has 94 member/families

Regalia: Contact Barrie Carson for tee shirts, name badges, or other regalia items. Bob Cannarella asked if there was any other regalia item that would be of interest to Club members. Some suggestions included: Club watch, license plate bracket, and lapel pins. Barrie said he would look into these and report back.

Contact Gail Lenhard for FSMGCC logo clocks (\$10) and MG Jamboree Cookbooks (\$5).

Past Activities: There were write-ups in the Informer for the August 15th Breakfast Club event.

The event held on September 7th Pioneer Days in Dade City & Lunch was well attended with around 40 cars. The Nature Coast/Suncoast Classic Car Club generously bought lunch for everyone.

Future Activities: Glenn briefly reviewed upcoming events:

October 3rd– Hope Children's Home Car Show hosted by Vera & Jim Kearney.

October 24th – All British Car Show & Auto Jumble in Safety Harbor. Dennis Magee has set up a Ladies British Tea at Taste's Courtyard Restaurant. He has reserved the back room at the Paradise Restaurant for those who want to meet for breakfast. For early registrants, a complimentary breakfast coupon will be issued.

November 7th – Fun Rallye with Bill Forshay & Dave Tietz. Participants should bring a picnic lunch. The first car is scheduled to leave at 10:30 a.m. and the rallye should take 1 ½ - 2 hours to complete. Meet in Tampa at the intersection of East Hillsboro Avenue and Harney by 10 a.m. Dennis agreed to send out an invite to the other Clubs. See Informer for more information.

December 5th – St. Petersburg Santa Parade followed by lunch at Chattaway's.

December 13th – Christmas Party & Installation of Officers at Deb & Bob Cannarella's home

Breakfast Club:

September 19th – Hosted by Deb & Bob Cannarella at Harvey's Fourth Street Grill, St. Petersburg, FL ("test site" for future monthly Club meetings)

October 10th – Hosted by Fiona & Phil Ross @ 8:30 a.m. at the Tick Tock Restaurant, 8123 Fourth Street North, St. Petersburg, FL ("test site" for future monthly Club meetings)

Fellowship: It was great seeing Patricia Soler at this meeting.

Newsletter: Deadline for articles is September 20th. Harry Britton

will write an article on the Pioneer Days event for the newsletter. Bob Cannarella will make up a flyer for the Christmas Party.

Old Business:

Ballot/Election of Officers for 2010: There is almost a full slate of officers for 2010.

President: Fred Humberstone  
Vice President: still need volunteer  
Secretary: Gail Lenhard  
Treasurer: Bob Cannarella

Board of Directors  
Dave Tietz, John Soler, Bruce Rauch, and Dennis Magee

MG Jamboree 17: The dates for this event are: November 5, 6, & 7, 2010 at the Riverside Inn located in Homosassa, FL. Gail Lenhard has agreed to Co-Chair this and Patricia Soler volunteered to assist as needed.

Northeast High School Auto Body Shop MG Donation: The car that Glenn's MG Repair is donating has not been picked up as yet. Fred Humberstone has a number of body parts that he would be willing to donate to the school.

Joy Rainey – Coast to Coast Drive: Fred Humberstone reported that Joy Rainey's partner, Trevor Hulks, was diagnosed with cancer and would be undergoing treatment. Therefore, the event has been postponed. He asked that the Club hold off sending our sponsor donation.

Zephyrhills Celtic Festival and Car Show – March 6, 2010: Dennis Magee said that he was working on this event and is happy that the show would be in a larger, more accessible location. If anyone would like to help on this, contact him.

Glenn suggested that Dennis send out press releases to the various publications including Classic Motorsports and Hemmings Sports & Exotics.

Correspondence: All items were given to the appropriate parties.

Announcements: Barrie Carson won the 50 – 50 Raffle.

The meeting adjourned at 8:20 p.m.

Gail Lenhard, Secretary

## **FUN RALLYE**

**Date:** November 7, 2009

**Time:** First car leaves at 10:30

**Place:** The SW corner of E. Hillsborough Ave. and Harney Rd. in Tampa (go to the Subway and you will see us)

**Lunch:** Bring your own! You will be able to purchase drinks (and should) at the last stop. Bring your own lunch! (you can buy your lunch at the Subway)

### **Have a little fun with your LBC!**

Join Dave & Dianne Tietz and Bill & Carol Forshay for a little "outing" (and test your relationship with your "significant other") by answering questions like "Who is white and blue and will blow up you?"

Join us for breakfast at 9:00 if you want, we will be at:

**Denny's**  
5603 E Hillsborough Ave, Tampa, FL  
813-626-9213

This is west of the starting location 1/2 mile on E. Hillsborough at the intersection of N56th Street.

We can't promise you will win, but we can promise you will have fun!

Glenn's MG Repair

**Is Oil Killing Your Car? Solve Your Oil Problem Now**

**Mr. Moly Oil supplement**

Mr. MOLY Engine Oil Supplement is a colloidal suspension of molybdenum disulfide (MoS2) in a high grade, multi-viscosity engine oil that contains anti-foam agents and corrosion inhibitors. It is NOT an oil modifier. It uses the engine oil to carry the 0.5 micron particles (that's 0.0005 mm diameter) of MoS2 to critical engine components.

Mr. MOLY Engine Oil Supplement plates onto engine surfaces providing a protective barrier that will sustain loads in excess of 200,000 psi

This thin film of Mr. MOLY prevents metal-to-metal contact between moving parts and effectively eliminates wear. The low coefficient of friction of molybdenum disulfide ( MoS2 ) allows the plated metal parts to glide by each other with reduced friction and heat. The plating action of MoS2 ensures that the protection is there even when the oil has drained off. This is particularly important at startup or in the event of oil or coolant failure.

**Break-In New/Rebuilt Engine Oil Supplement**

Break-In is a soluble molybdenum together with anti foaming agents and corrosion inhibitors specifically designed to increase the load capacity of oil in the initial and critical first hours of operation in new and rebuilt engines.

Even with extensive machining and honing of the surfaces on new or rebuilt engines, under microscopic view these surfaces (i.e. rings to cylinder wall, cam to lifters) look like two mountain ranges passing over each other. As these peaks pass over each other, they actually weld together and then shear apart, creating tremendous friction and heat. This is the reason why new or rebuilt engines will run at higher than normal temperatures during the break-in period. Break In helps to eliminate scuffing and scoring and promotes the flowing out of metal high points. These high points are flattened, not broken away.

Break-In is ideally suited for performance type engines in cars and boats where the luxury of a normal break-in period at low speeds is not available. In normal everyday use, the benefit of using Break-In in the engine's early life will ensure a longer life and delay, by thousands of miles, the inevitable costly rebuild.

**Other Products available:** AS/40 Assembly Compound; Mr. Moly COPASLIP; Manual Transmission Supplement
